

an inconvenient sequel

SUNDAY, OCTOBER 21 2 PM

**WILLIAM JEANNES MEMORIAL LIBRARY
COMMUNITY ROOM**

REFRESHMENTS!

Concerned about costly storms & floods?

Find out how neighbors are overcoming Climate Change with ingenuity, passion & a plan.

A decade after An Inconvenient Truth brought climate change into the heart of popular culture comes the riveting follow-up that shows just how close we are to *a real energy revolution*. Vice President Al Gore pursues the empowering notion that while the stakes have never been higher, the perils of climate change can be overcome with human ingenuity and passion. He invites us along on an inspirational journey across the globe that

delivers the tools to heal our planet.

*Come discuss the film, your questions and learn about MONTCO
Ready For 100% Clean Energy;*

*a grassroots movement working to create a vision of
a healthier community powered by 100% renewable energy.*
