DESCRIPTION	How can you go from a mere bystander to an active player in the mosaic of Pennsylvania's natural environment? By creating a healthy yard <i>for birds</i> , you will be rewarded with a property that is alive and dynamic and inviting to young explorers and those young-at-heart. In this colorful presentation by Audubon Pennsylvania, you'll learn ways to create a nature oasis and reduce maintenance time and costs. There will also be time to get answers to those burning bird and nature questions you've pondered and learn about the Audubon's Bird Habitat Recognition Program, Pennsylvania's unique registry of bird-friendly properties
